Remarks

This beautifully maintained home offers the perfect blend of convenience and natural beauty. Set on a spacious lot with a large yard, it's ideal for families, outdoor enthusiasts, or anyone seeking tranquility close to town. The three-car garage provides ample room for vehicles and hobbies, while the newly updated features throughout the home add comfort and style. Step outside to explore nearby recreational trails or simply relax and watch wildlife along the Moose River. Bald Eagles and deer frequent this area. With schools, shops, and the post office just a short walk away, this property combines rural charm with everyday convenience. This spacious lot has a second driveway to the left of the home, ready for you to use. The possibilities are ready for you to explore. Call us to set up a showing and see what this property in person.
